BUILDING FOR THE FUTURE

This year, **Every Nation Church New Jersey** turns ten, and we are dreaming bigger than ever for the Kingdom of God.

Ten years ago, this church was born from a simple vision: to the Gospel known right here in our corner of New Jersey. Since then, God has been faithful. Through Him, and through so many of you who gave, served, and prayed, we grew from a small space into this sanctuary. We've watched lives changed, families restored, and people healed. We've seen miracles upon miracles.

Now, it's time for our next step: the **NEXT Capital Campaign**

We are pursuing action and growth. We are going all in to:

- Win more souls for Christ by building a space where everyone is welcome
- Make space for more kids to love Jesus
- Raise up the next generation of young leaders
- Create room for deeper fellowship and richer study of God's Word

We believe God will provide everything we need. And we believe in you too! Be part of this movement in whichever way is easiest for you. When giving through PushPay or online, select "**NJ Building Offering**" as your fund.

Pray with us

Please keep praying for the NEXT campaign, that God would move in every heart, that souls would come to know Jesus, and that we would be able to fulfill every goal He has set before us.

Let's expand the sacred ground that God has entrusted to us, for the next generation and for His glory. **Let's go all in!**
